## 2. Comment:

a. The light occupation of JENA by Soviet troops indirectly confirms other information from which most of the component units of the 20th Gds Mecc Div were assumed at the OHRDRUF troop training grounds in June 1949.

b. The observations made in the Zwaetzen Kaserne (antiaircraft guns) indirectly confirm component units of the antiaircraft artillery regiment of the 20th Gds Mecc Div.
